A well-located ground floor apartment in Livingston, close to the train station and motorway links, offering bright living space, two double bedrooms, ample parking, and secure entry, with scope to add your own modern touches.

This ground floor apartment offers a fantastic opportunity for those seeking a well-located home in the heart of Livingston. Positioned within close proximity to Livingston North train station and excellent motorway links, it is the perfect choice for commuters, while its one-level layout also makes it an ideal option for downsizers.

The property is entered via a welcoming hallway that provides access to all accommodation and features a handy store cupboard, housing the water tank, offering space to neatly store belongings out of sight. The building itself is accessed through a security entry system, providing peace of mind for residents.

The lounge is bright and inviting, with corner French doors that not only fill the room with natural light but also allow fresh air to flow through. The semi-open plan design creates a seamless connection to the kitchen, enhancing the sense of space and sociability. The kitchen itself would benefit from some upgrading, yet it comes well-equipped with an integrated oven and hob, alongside space for a free-standing washing machine and fridge/freezer, all of which are included in the sale. Plank effect vinyl flooring completes the space.

There are two comfortable double bedrooms, both decorated in neutral tones. The main bedroom benefits from fitted wardrobes, while the second bedroom also includes built-in storage and is enhanced by a feature wall with pretty wallpaper, adding a touch of charm and character. This room offers plenty of space for additional free-standing furniture.

The family bathroom is fitted with a traditional three-piece suite in white, incorporating a bath with shower over. While the space would benefit from some modernisation, it is perfectly functional as it stands, offering an excellent opportunity for buyers to add their own style and finish. A heated towel rail completes the room.

Externally, the property enjoys an abundance of shared green space, with communal grassed areas enhanced by mature shrubs and trees, creating a pleasant setting. Ample parking is available for both residents and visitors, making this a particularly convenient home. Further benefits include double glazing, electric heating, and the reassurance of a secure entry system.

With its prime location and excellent potential, this property represents a superb opportunity to create a stylish and comfortable home in one of Livingston's most convenient settings.
